We have audited the statement of financial position of School District No. 92 (Nisga'a) as at June 30, 2008 and the statements of revenue and expense, changes in fund balances and cash flows for the year then ended. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted the audit in accordance with Canadian generally accepted auditing standards. These standards require that we plan and perform an audit to obtain reasonable assurance that the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. **SCHOOL DISTRICT  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED JUNE 30, 2008**

**NOTE 1      AUTHORITY AND PURPOSE**

The School District operates under authority of the *School Act* of British Columbia as a corporation under the name of "The Board of Education of School District No. 92 (NISGA'A)", and operates as "School District No. 92 (NISGA'A)". A board of education (Board) elected for a three-year term governs the School District. The School District provides educational programs to students enrolled in schools in the district, and is principally funded by the Province of British Columbia through the Ministry of Education and the Nisga'a Lisims Government.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND  
REPORTING PRACTICES**

These financial statements were prepared in accordance with Canadian Generally Accepted Accounting Principles (GAAP) for not-for-profit organizations. These principles are consistent with those used in prior years.

The deferral method of accounting for contributions, which includes government grants, is used. Results are reported in the operating fund, special purpose funds and capital fund. Revenues and expenses are recorded on a gross and accrual basis.

Statement 2 (Statement of Revenue and Expense), Statement 3 (Statement of Changes in Fund Balances) and Statement 4 (Statement of Cash Flows) present annual results of each fund, changes in fund balances and cash flows for the year. Statement 1 (Statement of Financial Position) presents the assets, liabilities and fund balances as at June 30th. Interfund transfers and loans are recognized in each fund and eliminated in the consolidated totals.

**a) Fund Accounting**

The resources and operations of the School District are segregated into various funds for accounting and financial reporting purposes based on the types of restrictions on the use of contributions by governments or other granting agencies, and appropriations or other internal restrictions by the Board. While separate accounts are maintained for each fund, for financial reporting purposes, funds with similar characteristics are grouped together:

- Operating fund reports assets, liabilities, revenues and expenses for general operations.
- Special purpose funds report assets, liabilities, revenues and expenses for:
  - Contributions restricted in use by the *School Act* or Ministry of Education.
  - Contributions restricted in use by other external bodies.
  - Endowment funds.
  - Funds collected and used at the school level (i.e. school-generated funds).
  - Controlled and/or related entities.
- Capital fund reports assets, liabilities, revenues and expenses for capital. Contributions of other funds used for capital purposes are transferred to the capital fund.

Buildings	40 years
Furniture & Equipment	10 years
Vehicles	10 years
Computer Software	5 years
Computer Hardware	5 years

e) Revenue Recognition

Unrestricted operating government grants, are recognized as revenue when received. Such grants, if contributed for a future period, are deferred and reported as deferred contributions until that future period. Other unrestricted revenue, including tuition fees and sales of services/products are reported as revenue when services are provided or products delivered.

Externally restricted contributions, grants, and donations are reported as revenue depending on the nature of restrictions imposed on the use of the funds by the contributors:

- Non-capital contributions for specific purposes are recorded as deferred contributions and recognized as revenue in the year related expenses are incurred.
- Contributions restricted for capital purposes are recorded as deferred contributions until the amount is invested in capital assets.
  - If the capital asset is a site, the amount invested is recorded as a direct increase to net assets invested in capital assets.
  - If the capital asset is not a site, the amount invested is recorded as a deferred capital contribution and amortized over the useful life of the asset.
  - Donated capital assets are recorded at fair market value and treated as a deferred capital contribution.

h) Use of Estimates

Preparation of financial statements in accordance with Canadian Generally Accepted Accounting Principles requires management to make estimates and assumptions that impact reported amounts for assets and liabilities at the date of the financial statements and revenues and expenses during the reporting periods. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits. Actual results could differ from those estimates.

**NOTE 6      EMPLOYEE PENSION PLANS**

The School District and its employees contribute to the Teachers' Pension Plan and Municipal Pension Plan, jointly trusted pension plans. The boards of trustees for these plans represent plan members and employers and are responsible for the management of the pension plan including investment of the assets and administration of benefits. The pension plans are multi-employer contributory pension plans. Basic pension benefits provided are defined. The Teachers' Pension Plan has about 48,000 active members from school districts, and approximately 24,000 retired members from school districts. The Municipal Plan has about 145,000 active members, of which approximately 21,000 are from school districts.

Every three years, an actuarial valuation is performed to assess the financial position of the plans and the adequacy of plan funding. The most recent valuation of the Teachers' Plan as at December 31, 2005 indicated a \$904 million unfunded liability for basic pension benefits. The next valuation will be as at December 31, 2008 with results available in late 2009. The most recent valuation for the Municipal Pension Plan as at December 31, 2006 indicated a surplus of \$438 million for basic pension benefits. The next valuation will be as at December 31, 2009 with results available in 2010. The actuary does not attribute portions of the unfunded liability to individual employers. The Nisga'a School District paid \$572,208 for employer contributions to these plans in the year ended June 30, 2008.
