

SCHOOL DISTRICT NO. 92 (NISGA'A)

Policy Subject: SHARING OF HUMAN RESOURCES

Date Passed: 93.06.08

Date Amended: May 21, 2019

Description:
SHARING OF HUMAN RESOURCES

Policy No. 207-P

The Board of Education believes that every employee is first and foremost in the employ of the Board to further the education of students in the District. Other duties which may result due to elected or appointed positions or due to their expertise be called upon to act as resource persons, advisors, consultants, or presenters at conferences, workshops, seminars, or other related activities during regular working hours, are of a secondary nature.

The Board or its designated officials may approve limited duration leaves for these employees, with or without pay, and with or without additional costs to the Board.

Employees on leave of absence with pay, and receiving monetary stipends for their services shall notify the Board of the amount and from this the Board may recover any additional costs it has incurred due to the leave.
