**Policy No. 306-P**

It is the policy of the Board of Education that student dress be the standard of dress, which is acceptable to the community as appropriate for normal school work. A student's appearance or mode of dress or cleanliness will not be permitted to disrupt educational process or constitute a threat to health and safety.

It is the expectation of the Board that common sense will prevail the area of student dress. This policy is not to be construed as an attempt by the Board to dictate student dress but rather as an effort to safeguard learning, health, and safety of students.
