

SCHOOL DISTRICT NO. 92 (NISGA'A)

Regulation Subject: SCHOOL CHOICE

Date Passed: 07.03.13

Date Amended: May 21, 2019

Description
SCHOOL CHOICE

Regulation: No. 308-R

REGULATIONS: STUDENT ADMISSION AND SCHOOL CHOICE

1. Determination of Available Space, Facilities, and Transportation.
 - 1.1 The Board of Education delegates to the Superintendent of Schools or his or her designate, the decision whether space, facilities, and transportation are available to support the school choice.
 - 1.2 Approval of application will be made in consultation with the principals of the affected schools with consideration given to sustaining the most effective use of resources of both catchment and receiving school.
2. Application Dates and Rationale
 - 2.1 Application to attend a school other than the catchment school will be made on a "School Choice Application Form" (Appendix "A") and shall be received by the school between March 1 and the last day of school in March.
 - 2.2 Applications for student enrolling in the district after March 31 will be considered up to June 15.
 - 2.3 Applications will provide a statement describing how the educational needs of the child will be better met by choosing to attend the non-catchment school.
3. Transportation
 - 3.1 Transportation will be the responsibility of the home. However, if there is space available, students may access school district transportation if it fits within the standard bus route schedule.
