

SCHOOL DISTRICT NO. 92 (NISGA'A)

Policy Subject: UTILIZATION OF FACILITIES BY GENERAL PUBLIC

Date Passed: 87.06.24

Date Amended: May 21, 2019

Description:

UTILIZATION OF FACILITIES BY GENERAL PUBLIC

Policy No. 408-P

It is the policy of the Board of Education, subject to the prior needs of the educational programmes, to make certain school facilities available to the communities within the School District. Commercial interests within the School District or interests falling outside the School District may be granted for use of such facilities, subject to such regulations as the Board may from time to time approve.

The responsibility for administering such regulation is vested in the Secretary Treasurer.

1. It is the policy of the School Board to grant permission of rental and use of schools by the general public with preferences being given to school age children; rental and use being permitted in lieu of other suitable adequate facilities being available within the communities concerned.
2. Rental fees will be charged after assessment of use and according to a rent schedule as approved by the Board and governed by regulations. Rental agreement forms will be executed.
3. School District equipment shall be made available only upon specific application, and subject to final approval of the Principal of the School. No equipment will be made available at any time outside the confines of the school plant and property.
4. All rentals may be subject to direct supervision by School District personnel.
5. Permission shall not be granted for the consumption of alcoholic beverages or smoking on school property.
6. it is the policy of the Board to ensure that all rules and regulations, be they Federal, Provincial, Band Council, or School District, be adhered to at all times.
7. Playground areas will not be out of bounds to the public after school hours, but use will be at the user's own risk. All supervised school program use, take precedence over public use.
