

SCHOOL DISTRICT NO. 92 (NISGA'A)

Policy Subject: COMPUTER PURCHASE PLAN

Date Passed: 88.06.09

Date Amended: May 21, 2019

Description:
COMPUTER PURCHASE PLAN

Policy No. 505-P

The Board of Education acknowledges that technological change occurs very frequently and that computer literacy is a necessity in today's world. The Board recognizes that the cost of purchasing computer equipment may create a financial hardship for some employees. Therefore, the Board may establish a computer purchase plan based on payroll deductions which will be detailed in the accompanying Regulation.
