Subject: Leadership Announcement: Congratulations and Best Wishes to Laura Ganyo

Dear Nisga'a School District Community & Partners,

The Nisga'a School District 92 is pleased to share that Laura Ganyo has accepted an executive leadership opportunity as Superintendent of Schools with the Dehcho Divisional Education Council in the Northwest Territories. As a result, Laura will be concluding her service with the district as District Principal of Curriculum and Instruction.

Laura joined the district in February 2025 as Principal of Alvin A. McKay Elementary School and District Principal of Curriculum and Instruction. In March 2026, she transitioned into the full-time role of District Principal of Curriculum and Instruction, where she provided leadership in curriculum, instruction, assessment, and school improvement initiatives across the district.

Throughout her time with Nisga'a School District 92, Laura demonstrated a deep commitment to student success, educational excellence, and continuous improvement. Her thoughtful leadership, professionalism, and collaborative approach strengthened teaching and learning across our schools while supporting staff, students, and families.

Laura has been a valued member of the district's leadership team, and her contributions have made a meaningful and lasting impact. On behalf of the Board of Education, staff, students, families, and the broader Nisga'a community, we extend our sincere gratitude for her service, dedication, and leadership.

While we will miss Laura's expertise and leadership, we are proud to see her assume this important role and know she will continue to make a positive difference in the lives of students and communities she serves. Please join us in congratulating Laura on her appointment and wishing her every success in this exciting new chapter.

Respectfully,
