25 October 2021

Dear Families,

I hope you are well and staying safe. With the increase in positive COVID cases I wanted to assure you that the safety and wellbeing of our students, families and staff remains our highest priority. We continue to implement effective health and safety measures so that children and staff can continue to attend school as safely as possible.

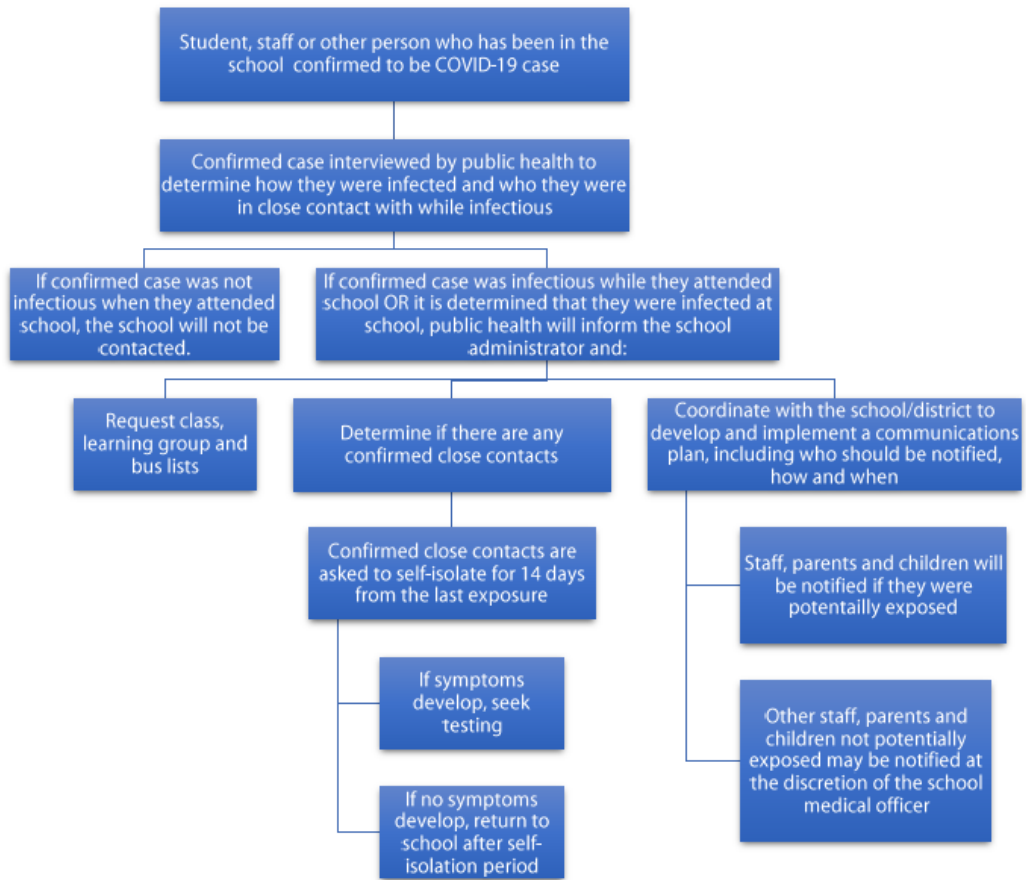

Doing daily health checks is critical. If you have any COVID-19 symptoms, please stay home and follow the guidance from public health. When each of us do our part, we keep everyone safe.

Thank you for acting wisely and cautiously and for supporting and reinforcing the safety measures we have in place at schools. If you have any questions, please contact your child's principal.

Sincerely,

Jill Jensen
Superintendent
School District No. 92 (Nisga'a)
